Good News - Testing went off great. Make-ups are this week. Mr. Toy is proud of the teachers and students.

Mr. Toy informed the council that several building projects will take place this summer. It will include storage buildings for FFA and ATC, raised flower beds, and an obstacle course for JROTC.

Summer school will be May 28th to June 7th. Buses will not be available. There will be fifteen students per classroom.

SBDM elections for teachers and parents will be held at the same time.

The available funds for 23-24 are \$4391.41. This is a great place to be at this time of year. Mrs. Greenwell made a motion to approve the budget, second by Mr. Williamson. Motion passed.

Our budget for the 24-25 school year is \$162,070.00. This is lower than this year because we expect fewer students. A lot of this money is fluid.

Departments will have their own budgets this year. Mr. Toy will have a list by the start of school. Mrs. Greenwell made a motion approve department budgets, second by Mrs. Gay. Motion passed.

The following overnight/out-of-state trips were presented to the council:
